About us

Autokomerc karting centre covers an area of 4 hectares and is a unique entertainment venue of its kind in the country. In addition to high-adrenaline fun, Autokomerc karting centre has a seminar room, with all equipment.

Track has the license from the International Committee for the international competition, which means, among other things, that Autokomerc karting centre meets all safety standards. Karts are the ultimate among rentals, RIMO brand, manufactured in Germany and are the only ones in the world to be TÜV certified. Karts driven on the track of karting centre are the same ones which are driven by Michael and Ralf Schumacher.

For driving of the karts previous experience is not needed. Groups of 5-7 drivers ride together during the same lease term, each session lasts 10 minutes, electronically is timed separately for each rider and for each round. Spectators can follow the time of their favorites on the track at any moment on the lights! At the end the winners of each group are entering (semi) finals, ending by the announcement of the winners on

the podium, with goblets and champagne, as in Formula 1!

Karting centre event team approach each client individually, plan lease in accordance with the wishes of customers, from catering through the organization and conduct of the race, the organization of seminars and press conferences, hiring celebrities to head...

In short, everything the client wants, event team will provide it.

Conference capacities
