About us

Bled Congress Centre boasts a superb location next to the shore of Lake Bled, in the very heart of the town. With 484 seats, it is Bled's largest convention hall and a prime setting for larger corporate, scientific and governmental meetings, as well as cultural and entertainment events.

In addition to the main amphitheatre hall, the Congress Centre features three break-out rooms and a large foyer, all with plentiful natural daylight and views across the lake.

Conference capacities

Bled Congress Centre's main amphitheatre hall can accommodate up to 484 delegates, while its three smaller halls have a capacity of 172 theatre-style when joined to form one hall. The foyer serves as registration and exhibition area, and can also be used for coffee breaks and receptions, for which a catering service is on hand.
