About us

Discover Tarcin Forest Resort and Spa, your dream home, where French “art de recevoir” and well-being experience meet to nurture your senses. Feel the rejuvenating power of altitude and nature, impeccably accompanied by a perceptive and professional team. Ideally located halfway between Sarajevo and its mountain tops, surrounded by the Olympic Mountains with their rivers and lakes, the resort features 55 hotel rooms with balconies and 9 luxury 4 stars villas.

It offers great indoor and outdoor facilities, both for business and leisure, conference and banqueting facilities with state of the art technology, stylish panoramic restaurant, luxury spa and wellness oasis, swimming pool, fitness centre, children playground, quad rides and guided mountain trails.

The hotel is a harmonious blend of traditional elements with all conveniences of modern technology. This curvy multi-layered architecture, combining soothing earth tones and elegant furnishings, promises guests an unforgettable holistic and well-

being experience.

Accommodation

29 Single rooms, 21 Twin Rooms, 4 Junior Suits, 1 Executive Suite, 9 Deluxe Villas.

Conference capacities

Experience memorable moments and organize your event in our elegant, stylish meeting venues Nerona I and Nerona II, ideal for business events, conferences, team buildings, trainings, board meetings or special private celebrations or weddings.

Tarcin Forest Resort & Spa MGallery by Sofitel meeting conference venues are equipped with state of the art technology: wireless Internet access, air conditioning, video or teleconferencing facility, and high-definition drop-down ceiling projector. For larger groups, the partition between the two meeting rooms can be folded away to create a bigger meeting area for up to 250 guests (theater style).

Additional facilities

Location

Situated within the city limits of Sarajevo, capital of Bosnia, Tarcin Forest Resort on its 350,000m² of property is located between four most beautiful mountains: Bjelasnica,

Igman, Ivan and Ormanj. With blossoming pastures, lovely freshness in summer and snow-blanked mountains in winter, Tarcin embodies the soul of Bosnia and Herzegovina in a unique way.

Tarcin Forest area is a part of Hadzici municipality within the Sarajevo Canton that is characterized by two climates. Up to 600 m above sea level is dominated by a continental climate, while above this height is characterized by continental- mountain type and alpine climate type. Tarcin lies on altitude between 700 m - 850 m above sea level.

Tarcin has it all - lush green landscapes, unspoiled nature, incredible views, and enchanting forests. And you will also find many sources with crystal clear waters coming from ground. Tarcin area has healthy and dense vegetation.
