Accommodation

The right mindset is important for achieving goals. A real vacation too. The rooms are designed as oases of peace and relaxation, and the large windows give you a choice - privacy or openness. In Zonar, you can choose between six categories of rooms and suites: Monochrome rooms, Monochrome Tribe rooms, Hangout Edition rooms, Zonar Sanctum or Zonar Spacebath rooms, and Zonar Reflections or Zonar Clouds suites. And you can't go wrong.

Conference capacities

The hotel is located in close proximity to the very city centre, and is an ideal place for holding business and congress events. Meetings, conferences and events take place in nine multifunctional and modern halls on the mezzanine, as well as in one smaller hall for private meetings, the Moon, on the ground floor of the hotel.

On the ground floor of the hotel there is also one smaller hall, the Moon.

In addition to the modern halls, your complete experience will be ensured by professional and friendly staff who have prepared a top-quality offer of food and drinks, and the highest standard of service. In addition to the hotel's functional, modern and top-quality congress and banquet facilities all with natural light, the most up-to-date audio-visual presentation equipment is also available to guests upon prior notice.
