About us

Our heritage hotel, Amadria Park Capital, is located in a prime location in the strict center of Zagreb. Only 200 meters from the main square. The hotel is located in the building of the Austrian bank Wiener Bank-verein, built in 1923 designed by famous Viennese architects Ernst Gotthilf and Alexander Neumann. The most interesting corner of the hotel is certainly the area where the preserved vault and safe, together with the original security door of the Viennese company F. Wertheim & Co., A.G. Wien. Of particular note are the engravings of the vault door, which are a work of art.
