About us

Hotel Nais is complex situated next to the Nis – Belgrade highway (E-75), near the Nis interchange, where the highway splits into two routes, one to Sofia and another one for Skopje. Nais complex has 89 rooms, 4 banquet and conference halls, as well as SPA. Our hotel can be accessed from the both directions of the highway, and for all guests there are 250 free parking spots and 10 parking spots for buses.

Accommodation

Hotel Nais has 89 accomodation units in total, thereof 53 triple rooms, 27 double and twin rooms, standard and comfort type, 6 Business and 3 Luxury apartments. Total capacity is for 230 persons.

Conference capacities

The smallest conference hall in Hotel Nais is capacity for 10 to 30 persons, suitable for small meetings and conferences with privacy and comfort. The second one is

Constantine with capacity over 250 persons, while the largest conference hall, Jelena is capacity from 300 to 350 persons, which can be divided to Jelena I and Jelena II. In that case, each hall has capacity from 150 to 170 persons. Each hall is soundproofed, so it's possible to have many different events at the same time with the most modern multimedia equipment.

Additional facilities

Inside the Hotel Nais, beside rooms, conference and banquet halls, there are restaurant with terrace, public toilets, shop and exchange office.
