Conference capacities

Host Your Event at Tarcin Forest Resort & Spa
Create unforgettable experiences in our elegant meeting venues, perfectly suited for business conferences, team buildings, trainings, board meetings, as well as private celebrations and weddings.
In addition, the resort offers four versatile conference halls:
• Igman I and Igman II – modern, flexible meeting spaces.
• Rooftop Hall – an inspiring venue with breathtaking panoramic views.
• Showroom Hall – a unique two-level space ideal for exclusive private events.
All venues are surrounded by nature, offering natural daylight, fresh air ventilation, and a serene setting that stimulates creativity and productivity. Each space can be tailored to meet the specific requirements of organizers, from intimate gatherings to large-scale events. Our meeting facilities feature modern equipment and amenities, including high-speed wireless Internet, air conditioning, technical equipment and high-definition ceiling projectors. For larger groups, Igman I and Igman II can be combined into one spacious venue accommodating up to 250 guests in theater style. At Tarcin Forest Resort & Spa, every detail is designed to ensure the success of your event!

Location

Situated within the city limits of Sarajevo, capital of Bosnia, Tarcin Forest Resort on its 350,000m2 of property is located between four most beautiful mountains: Bjelasnica, Igman, Ivan and Ormanj. With blossoming pastures, lovely freshness in summer and snow-blanked mountains in winter, Tarcin embodies the soul of Bosnia and Herzegovina in a unique way.

Tarcin Forest area is a part of Hadzici municipality within the Sarajevo Canton that is characterized by two climates. Up to 600 m above sea level is dominated by a continental climate, while above this height is characterized by continental- mountain type and alpine climate type. Tarcin lies on altitude between 700 m – 850 m above sea level.

Tarcin has it all – lush green landscapes, unspoiled nature, incredible views, and enchanting forests. And you will also find many sources with crystal clear waters coming from ground. Tarcin area has healthy and dense vegetation.
